EDITORIAL NOTICE

The lists included in this *Reporter* special have been compiled using information received from the Colleges **up until 31 October 2021** including, where notified, elections and appointments made during the Michaelmas Term 2021.

Colleges are arranged in alphabetical order.

Names are arranged in order of seniority as determined by each College, and that order in most cases depends on the date of either the first or most recent election. When a Fellow has had more than one period of tenure, a date in square brackets refers always to a first election and in parentheses to a second or subsequent election. When a date in square brackets and a date in parentheses appear together after a name, these are true dates of election and the date before the name is a notional one which confers seniority.

The various entries reflect in certain respects different usages of the Colleges which have compiled them specifically for this publication. **Errors of fact should be sent direct to the Senior Tutor of the College concerned.**
